

Tervetuloa!

SPONSOR FINNFEST 2023

FINNFEST USA is North America's premiere experience of Nordic culture and learning. From the very first event held in Minneapolis in 1983, we've sought to help our attendees experience the beauty of Finnish culture. Since our inaugural year, FinnFest has traveled across the United States, Canada, and Finland itself. In 2023 FinnFest returns to Minnesota, where we will have our 40th-anniversary festival in the city of Duluth - a city with strong Finnish culture, a vibrant downtown and exciting opportunities for collaboration.

BE A FINNFEST SPONSOR

FinnFest provides five days of programming that spotlights a variety of different topics, from sustainability to contemporary global issues. The festival gives attendees the chance to see and interact with world-class speakers and musicians that will immerse them in Finnish culture.

Sponsoring this event will help us offset the cost of running the festival.

**WE HOPE
YOU'LL JOIN US.**
